Dear Friends of DubC NFL Flag Football,

The DubC Flag Football program provides West Chester boys and girls with a safe, structured environment to learn and play flag football. The program also instills strong core values such as sportsmanship, teamwork, a work ethic, and a sense of pride for the community we play and live in.

Our program strives to have a meaningful and beneficial impact on our community, and more importantly the youth of West Chester. It would not be possible to do this without the support from sponsors, the community, and local businesses looking to make a meaningful impact, no matter how big or small.

If you are interested in teaming up with us this season and becoming a sponsor of the DubC NFL Flag Football program, we encourage you to preview the packages available and let us know which you may be interested in. Every dollar, from every sponsorship level, is put immediately into the football program.

Please accept our invitation to come to a home game and cheer on one of our DubC Flag Football teams. Our Fall season starts in late August and runs until late October. Our Spring season starts in early April and runs until late May. All home games are played at West Chester Area fields. We hope to see you there.

Thank you for your support!
